

## News Article – Jersey Community High School

### Thank You

Jersey Community High School welcomed 1011 students for the beginning of the 2017 – 2018 school year and we are off to a great start. For those of us who have the privilege of working with young people every day, the start of a new school year is as exciting as it gets.

My goal over the next several months is to highlight the many accomplishments JCHS students will achieve this year. Please keep in mind, I will do my best to focus on as many groups as possible. I'm going to miss some and for that, I apologize up front. There are simply too many great things kids in Jersey are accomplishing daily.

But this month, I want to highlight our community. Without you, many of our students' previous and future accomplishments would not be possible. On behalf of Jersey Community High School, please know how much we appreciate the generous support, both the resources and time, you provide for our school. This includes individuals, families, organizations and our local businesses. We know you choose to give and you continue to positively impact lives for the betterment of our community and, most importantly, for our kids.

JCHS has many groups of parents and booster club members who are constantly volunteering to raise funds for our programs. These ladies and gentlemen give their own time working to provide our athletes and performers the "extra stuff" to stand out with the best programs in our area. I can't thank you enough for all you've done and continue to do for JCHS.

I am proud to be a part of the communities that make up Jersey CUSD 100 and I want you to know that JCHS strives to make the community proud of us. Together, we have the ability to give our young people as many future opportunities as possible. Thank You!

Jersey Community High School Principal,  
Cory Breden
